FOREWORD

From the desk of the Chairman, Board of Trustees, INFAC

Compilation of the Artists' Directory has been a dream project of Indian National Forum of Art and Culture (INFAC) for a long time. The objective behind the compilation is to bring the artists belonging to performing and visual arts under one umbrella cutting across national barrier where they can intra-communicate with each other in mutual advantage free from any intermediary. It has been a herculean task to get this done but we are happy to announce that our maiden endeavour has been substantially successful. Through publication of the first issue a beginning has been made. We hope to widen our net in future issue. I ardently believe that the present publication will be of much use for the artists as well as for those who appreciate art and culture. We are sorry that due to Covid 19 worldwide pandemic situation the publication of the current issue has been delayed for a year as a result whereof a few of the respected figures in the art world, namely, Wasim Kapoor of the visual art and Ustad Rajkumar Rizvy of the performing art who enrolled their names in the directory and took keen interest in its publication could not see the light of the day.

Dated the 10th November, 2022
